FOR EVER. FOR GOOD.

MISSION

Fostering philanthropy for the lasting good of Whitley County.

VISION

We help to ensure donor gifts are effective and impactful. Through thoughtful grant making we fund worthy charitable causes and projects for the common good. Our leaders collectively identify local challenges and address needs in Whitley County.

CORE VALUES

- Integrity
- Transparency
- Stewardship
- Discretion
- Fairness & Impartiality
- Professionalism
- Collaboration
- Creativity

Our Community Foundation is a reflection of the generous people who call Whitley County home. Organized as a public charity, we offer donors a variety of tax deductible ways to make a difference in our community. Gifts are made to a variety of funds that are administered as permanent endowments. Endowed gifts to the Foundation are never spent, but invested for long-term growth. That means a gift given today will still be helping good things unfold for years to come. Endowment distributions are made from the investment returns and awarded to local students as scholarships and to non-profit organizations as grants, based upon specific criteria determined by donors when their fund was established.
